

November 2022

Praise & Prayer:

Praise the Lord for the open ministry doors and newly planted Churches by the graduates.

Praise God for the trainers commitment to train missionaries in unsuitable circumstances.

Praise the Lord for His faithfulness to provide our needs to run the schools.

Please pray so that God provides stable infrastructure for Hallaba and Wolkite Schools.

Please pray for the plan to start 3 more schools at Konta (3rd week of November 2022), Dire Dawa (January 2023) and Gondar (February 2023).

unreached people groups of Ethiopia. By this more than twenty five Unreached People Groups are targeted directly and indirectly.

The Ethiopian Kaleheywet Missionary Training Schools are located in strategic places of the unreached and least reached people groups of the country.

Currently, 177 students are attending the training in 6 schools. Hallaba, Wolkite and Jinka Hub Schools are found at the South. At the South East, we have Goba Hub School. It is now training its 7th batch students. At the West South we have Bonga School. The Addis Ababa School is located at the central part of the country. Each school targets various

TRAINERS

We have six senior Trainers and three Assistant Trainers currently. Our trainers are trained in cross-cultural missions and were church planters themselves.

We also have about 38 adjunct instructors who are teaching various courses as guest lecturers at the schools.
